

Congressional Art Contest

The Congressional Art Competition, An Artistic Discovery provides me with an excellent opportunity to showcase the talents of creative high school constituents in the Second District of South Carolina.

Since this competition was created in 1982, hundreds of thousands of high school students have participated at the local level. The winning entries from last year's successful competition currently hang on the Capitol grounds. This remarkable exhibit represents the combined efforts of the Members who conducted these contests and the talented students who participated in this exciting competition.

Artwork must be delivered to Congressman Joe Wilson's Midlands Office by May 9, 2008:

Office of Congressman Joe Wilson

1700 Sunset Boulevard, Suite 1

West Columbia , South Carolina 29169

For more information, please see the following guidelines or call Preston Grisham in Congressman Joe Wilson's Midlands Office at 803-939-0041.

General Guidelines

- The competition is open to high school students only. Exceptions will be made for schools that have 7th through 12th grades in one building. Each Member office can choose whether or not to include 7th or 8th grades in the art show if there are schools in their district that fit these criteria.
- Official resources are to be used only to the extent authorized by the Committee on House Administration and the Committee on Standards of Official Conduct.
- In order to allow an artwork to hang in the Cannon Tunnel of the U.S. Capitol, the following restrictions are necessary:
 - Piece must be two-dimensional

- Each piece can be no larger than 30 inches to the outside dimensions of the frame (change from previous years)
- No more than four inches in depth

Artwork must arrive in Washington by the time specified and framed to the appropriate guidelines (see below)

- Artwork
will hang in the Capitol for the entire year of the exhibition and cannot be returned to the students earlier. Students, therefore, should submit artwork they will not need for other purposes.

- Artwork categories are as follows:

- Paintings: oil, acrylics, watercolor, etc.
- Drawings: pastels, colored pencil, pencil, charcoal, ink, markers
- Collage: must be two-dimensional
- Prints: lithographs, silkscreen, block prints
- Mixed Media: use of more than two mediums such as pencil, ink, etc.
- Computer generated art
- Photography

- A
copy of the Student Release Form, signed by both the teacher and the student, must be attached to the artwork to certify the originality of the piece.

- Each entry must be an original in concept, design and execution and may not violate any U.S. copyright laws.

- Note:
Any entry which has been reproduced from an existing photo, painting, graphic, advertisement or any other work produced by another person is a violation and will not be accepted.

- The
final decision regarding the suitability of all artworks for the exhibition in the Capitol will be made by a panel of qualified persons chaired by the Architect of the Capitol.

Framing Guidelines

- All artwork, except for oil paintings, must be protected by Plexiglas or glass frame.
- All works, when framed, should be no larger

than 30 inches high, 30 inches wide, and 4 inches deep including the outside dimensions of the frame. Please double check size before sending the entry to Washington. Due to wide participation of Member offices, framed work larger than the specified dimensions will be turned away.

- Frames should be kept as simple and sturdy as possible. Metal frames are recommended.
- No "snap on" frames with glass are to be used.
- Plexiglas
is better to use than glass over the artwork to avoid breakage. If glass is used, cover the entire surface completely with masking tape prior to shipping.
- Matting can enhance or detract from a work of art and should be carefully prepared.
- Use
sturdy picture hangers. Two hooks should be attached at the right and the left sides of the back of the work in order to prevent the work from leaning forward or hanging unevenly.
- Since frames will be suspended by wire from overhead molding, please do not put wire between hooks.
- Do not attach labels, ribbon, etc. to the front of the piece or underneath the glass or Plexiglas.
- If the artwork is abstract in design, please indicate on the back side which side is up with arrows.
- As directed by the House Oversight and Standards of Official Conduct Committees, each district winner is responsible for framing his or her own entry. Any hardship cases should be assigned at the district level; works can no longer be framed by the Architect of the Capitol.
- A copy of the Student Release Form must be attached to the back of the artwork along with the adhesive label as shown. (Please make sure to retain a copy for your office).
- Please use the largest label you have available.

Suitability Guidelines

- As
outlined in these guidelines, the final decision regarding suitability for exhibition in the Capitol is left to the panel of qualified persons chaired by the Architect of the Capitol. While it is not the intent to censor any artwork, we do wish to avoid artwork that is potentially inappropriate for display in the Capitol.

Artwork

must adhere to the policy of the House Office Building Commission. In accordance with this policy, exhibits depicting subjects of contemporary political controversy or sensationalistic or gruesome nature are not allowed. It is necessary that all artwork be reviewed by the panel chaired by the Architect of the Capitol and any portions not in consonance with the Commission's policy will be omitted from the exhibit.
